Tap a brass bed with a pencil—

If it rings like a bell it is genuine brass, made of solid brass tube. If the sound is dead, the brass bed is not genuine, it is a split iron pipe with a thin film of brass over it. You can make this test at any time—it is infallible. Moreover it is your protection in purchasing a genuine brass bed. The bed will speak for itself. A KIMBALL & CHAPPELL brass bed will always ring because it is made of solid brass tube, finished with genuine "Rylamber" English Lacquer.

BUNGALO BED

made of Solid Brass. Designed and manufactured by the famous Kimball & Chappell Co., manufacturers of fine Solid Brass Beds. These people have placed with us the exclusive sale of their entire line. One Brass Bed may look as good as another one to the average person, but quality must be considered in comparing them. Kimball & Chappell Co., have built up their enormous business on quality, and style. If you want a good Brass Bed, buy a Kimball & Chappell.
